**Subject: Notification of Price Adjustment for Office Curtains Under the Contract Renewal (Ref: PR.104/RWVCA/2025)**

Dear Sir/Madam,

We refer to your letter **Ref: PR.104/RWVCA/2025 dated 19th August 2025** regarding the renewal and extension of our contract for the supply of office equipment until **24th September 2026**.

First of all, **SOFA LIGHT BUSINESS LTD** would like to express our sincere appreciation for the continued trust and partnership with your esteemed organization. We highly value the opportunity to continue working with the Rwanda Wood Value Chain Association.

We would like to inform you that the earlier price for the office curtains supplied under the contract was **1,200,000 RWF**. As RWVCA has expressed the need for additional office curtains, we would like to bring to your attention that current market conditions have changed since the time the initial price was quoted.

Specifically, there has been a significant increase in market prices for materials as well as fluctuations in the **US dollar exchange rate**, which directly affect procurement and supply costs. As a result, these changes will be reflected in the new quotation that will be provided for the required curtains.

Furthermore, we would like to inform you that two main types of high-quality curtains are currently available for selection:

**1. Sheer Eyelet Curtains** – made of **transparent or light fabric**, suitable for allowing natural light into the office while maintaining elegance. These range from **10,000 RWF to 30,000 RWF** depending on the quality and material.

**2.Heavy Drapery Curtains** – made of **thick and dense fabric materials**, designed to provide more privacy and a richer decorative appearance. These range from **15,000 RWF to 45,000 RWF** depending on the material and finishing.

All the above-mentioned curtains are of **high quality**, and **RWVCA will be able to select the preferred type according to your choice, design preference, and budget.**

We remain committed to supplying **high-quality office equipment** and maintaining the professional standards expected by RWVCA. We kindly request your understanding regarding the necessary price adjustments due to these external market factors.

We look forward to your continued cooperation and strengthening our partnership.

Yours faithfully,

**SOFA LIGHT BUSINESS LTD**
