External audit and certification Services**

Dear Managing Partner,

I am writing regarding the bid submitted by DC Partners CPA Ltd on January 29th, 2026, for the provision of external audit and certification services to the Rwanda Wood Value Chain Association (RWVCA).

We appreciate the quality of the technical proposal you submitted, which fully meets our requirements. However, following the financial evaluation, we noted that your quoted price of 6,549,000 RWF exceeds our approved budgetary allocation for this assignment. In the interest of moving forward with your firm, we kindly request a price alignment. Specifically, we are requesting a discount of 549,000 RWF to bring the total contract value to 6,000,000 RWF (VAT inclusive).

If you are in agreement with this proposal, we would appreciate receiving a formal confirmation letter from your side. This will allow us to proceed with the next steps.

Upon receipt of your confirmation, we would like to invite you to a meeting at our offices on February 6th, 2026, to discuss the final contractual details and proceed with the official signing of the agreement.

We look forward to the possibility of collaborating with DC Partners CPA Ltd.

Yours sincerely,
