Subject: Request Annual Leave for 10 days

Dear ED,

I am writing to formally request annual leave for a period of 10 days from 25th June to 10th July 2026.

I have reviewed my annual leave entitlement and have ensured that my leave request does not coincide with any critical deadlines or events that may impact the smooth operation of the Association. I will ensure that all my outstanding tasks are completed and up-to-date before my departure, and arrangements have been made to cover my responsibilities during my absence.

I have filled a leave application form in the system, which I kindly request you to approve and return to me at your earliest convenience. I am confident that my leave will not have any significant impact on the Association's operations, and I will be available by email if any urgent matters arise during my absence.

Thank you for considering my request. If you require any further information or clarification, please do not hesitate to contact me.

Sincerely,

Nkomezumutima Jean Claude
