Subject: Request for Leave

Dear Madam,

I am writing to respectfully request seven (7) days of my annual leave entitlement, starting from July 30th to August 7th, 2026.

Due to continuous work commitments, I have not had sufficient opportunity to rest and address pressing personal matters. Taking this period away will allow me to attend to these personal responsibilities and return fully refreshed.

Before my departure, I will ensure that all my current tasks and responsibilities are thoroughly organized and handed over where necessary to prevent any disruption to our operations. Additionally, I will remain reachable via phone or email for any urgent matters that may require my input during this time.

Thank you very much for your understanding and for considering my request. I look forward to your approval.

Yours sincerely,

MUKANDAYAMBAJE Claudine
