Subject: Request for Annual Leave

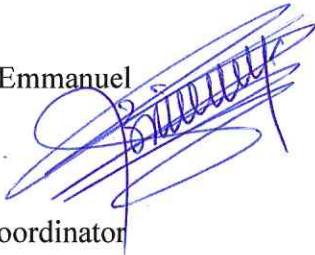

Dear Executive Director,

As you kindly indicated that there are urgent tasks, which may not allow me to take the full seven days of leave I had initially requested, I would like to inform you that I have adjusted my request.

Instead of seven days, I am now requesting **four days of annual leave, from 14 May to 19 May 2026**, in order to attend to pressing family matters. I assure you that upon my return, I will continue to fulfill my responsibilities diligently.

Thank you very much for your understanding and consideration.
